

Suspend lanterns at varying levels for a playful, Moroccan vibe. Mix it up with wicker and glass.

Put a favorite fall to work and upholster a headboard. Go to thenest.com/bo for instructions.

power pair

Push your limits. Start with your go-to color (ours is tangerine) and team it with a complementary accent hue, like lavender.

searching for the eclectic boho vibe

- 1 Forget flowers (just this once); think figs, kale or eucalyptus—they last longer!
- 2 Stack vintage suitcases to create a side table. Hint: Use 'em for extra storage too.
- 3 Floor pillows can double as surfaces and make catnapping accessible anytime.
- 4 Show off collectibles, such as a vintage teapot and a handmade rattan tray.
